Description:

It is a pioneering and ecological project located in Lisbon. The project offers a mix of 7 apartments and 13 eco-lodges, including studios, one- and two-bedroom apartments and one-bedroom duplex eco-cottages. The project's focus is on environmentally conscious living for the 21st century, with a commitment to reducing resource consumption and using locally sourced green building materials.

The project also has an infinity pool and a lounge area with a superb view, providing residents with a comfortable and relaxing living experience. It is a statement about the importance of sustainable living in today's world.

With a privileged location, it connects the city to anywhere in Portugal and Spain, in a matter of hours, but also within walking distance of Lisbon International Airport and access to the main highways.

Nowadays it is a neighborhood located on top of one of Lisbon's hills, at an altitude of 110 meters. This

allows it to be one of the great viewpoints of the city. Here, you live a quiet life, in a very well located area, with good social facilities, a good network of public transport, schools and supermarkets. This neighborhood is known for its sustainable evolution and with a lot of tradition

Whether you're passing through, on summer vacation, or starting a new life, you'll always be close to home here.
