### Description:

The Charlton has been designed with flexible living in mind, perfect for families who need living spaces that work for them.

The large L-shaped open plan kitchen/dining/family area features a stylish kitchen island unit, a dining area with space for an eight-seater table and large bi-folding doors that further extend this living space, great for entertaining family and friends.

The open hallway has two windows which maximise light, and as well as a separate lounge, there is a room to the front that could be a study, play area or a snug; the options are endless. Not forgetting the large integral garage that can be accessed through the utility room and could double up as a home gym.

Upstairs all of the bedrooms are double, including the main bedroom that features a separate dressing area and a large en-suite with a spacious shower area. This home benefits from a second en-suite as well as a main bathroom, which features a double ended bath and a separate shower enclosure, ideal for busy families.

Externally the detailing of the Charlton is eye-catching, this home has a grand entrance and coloured cast stone window cills, creating enviable kerb appeal. Complete with a block paved driveway, a patio area to the turfed back garden and fencing, this home is ready to make memories in.
