Description:

This exceptional top floor property is distinguished by its privileged location within an urbanization, offering an interior garden area that provides a haven of peace and privacy. In front of the property, residents can enjoy a communal swimming pool, perfect for hot days and outdoor leisure.

The house has spacious rooms, carefully designed to guarantee maximum comfort and well-being. Each room has double windows and double insulation, elements that not only improve energy efficiency, but also ensure a calm and serene environment, free of external noise. This attention to detail extends to the entire house, which is equipped with air conditioning in all rooms, distributed through 3 splits, thus ensuring an ideal climate at any time of the year.

In addition, a large storage room is included, an extremely valuable additional space that offers convenient storage solutions to maintain organization and order.

This property not only stands out for its internal features and amenities, but also for its location in a safe and well-maintained urbanization, where quality of life is a priority. The combination of accessibility to common areas, such as the swimming pool, together with the privacy and comfort of the home, make this

property a perfect choice for those looking for a quiet and cozy home without giving up the advantages of community living. - REF: Gran Alacant XH 404030
