ZADAR, SUKOŠAN - Luxury apartment under construction by the sea BS101

A luxury apartment under construction is for sale, located in an exclusive location by the sea in Sukošan, near Zadar. The apartment is located in a smaller residential building with six units in a luxury complex of new construction. The apartment with a total usable area of 86.77 m² is located on the first floor and consists of a living room, kitchen and dining room, three bedrooms, two bathrooms, a corridor, a loggia and a balcony. On the ground floor there is a common pool for all tenants. Garage space and storage room in the basement of the building for an additional charge. The apartment is fully air-conditioned and the bathroom has underfloor heating. High-quality materials were used in the construction, such as thermal insulation of the 10 cm styrofoam facade, PVC joinery with three-layer glass, electric blinds and mosquito nets. The planned construction completion date is mid-2026. The town of Sukošan is a small maritime town near Zadar with a marina, so it is a true paradise for sailors. In the surrounding area there are many other picturesque coastal towns such as Bibinje, Turnje or the historic town of Biograd na Moru. The urban center, the city of Zadar, is 15 km away, and the nearest airport is only 10 km from the property. Thanks to its position in the center of Northern Dalmatia, it provides access to numerous islands in Zadar's waters, as well as proximity to various national parks and nature parks. For example, the Vrana Lake Nature Park is located nearby, as is the Kornati National Park, an archipelago of impressive geography with 89 islands, islets and rocks.
