Description:

Carvoeiro one of the most beautiful villages in the Algarve with its own beach in the village center, many restaurants, supermarkets, small cafes, everything your heart desires.

Not far from this beautiful beach, about 5 minutes walk, is Casinha do Sol, an apartment on the second floor of a modern house. You can almost see the beach from the spacious balcony. You can sunbathe undisturbed on the roof terrace.

The apartment has been completely renovated, is beautifully and modernly furnished and has two bedrooms, each with a double bed, a built-in wardrobe and air conditioning.

The living room, completely renovated and equipped with a dining area, has direct access to the beautiful balcony. Next to the living room is the fully equipped kitchen.

The shower room is well equipped with beautiful tiles, double sink and shower. In this fantastic apartment you can spend wonderful living or your holidays, everything is within walking distance and Carvoeiro is worth having "time for more memories".

Carvoeiro is a small typical Algarvian fishing village, with the beach and everything you need within walking distance, such as a variety of restaurants, as well as craft shops, mini markets, clothes, jewellery, jewels, etc.

There are many activities to do in Carvoeiro, in the municipality or throughout the Algarve.

This region has some of the most beautiful beaches, with cliffs, rocks and caves, we have suggested Praia de Carvoeiro, de Benagil or Marinha, but there are many more.
