Combining timeless classical architecture with contemporary comfort, this villa stands out for its premium solar exposure and the impeccable quality of its materials.

The Interior: Elegance and Flow

The entrance opens into a grand foyer leading to a monumental living area. Large-format double-glazed windows act as living frames for the ocean, flooding the space with the golden light of the Madeiran sunset, thanks to its sought-after westward orientation.

Prestige Suites: The villa features three independent suites. Each bedroom has been designed as a sanctuary of rest, offering generous proportions, high-quality built-in wardrobes, and private bathrooms finished in hand-selected stylized ceramics.

Gourmet Kitchen: A space where functionality meets aesthetics, fully equipped with state-of-the-art appliances (oven, extractor, and dishwasher). The contrast between the noble wood parquet flooring and modern work surfaces creates a sophisticated environment for home fine dining.

The Exterior: Your Private Resort

The outdoor space has been meticulously planned for those who value privacy and open-air leisure:

Infinity-Edge Feel Pool: A private swimming pool strategically positioned so you can relax while gazing at the cruise ships entering the bay.

Exotic Gardens & Porch: The property features lush, manicured tropical gardens and a covered porch the perfect setting for summer dinners or quiet afternoons in the shade.

Total Privacy: The entire estate is enclosed by high perimeter walls, ensuring your sanctuary remains completely secluded and private.
