What is the ideal destination in Europe, whether for a real estate investment or to retire, to spend a family vacation, to play golf....

If you do not want to be disoriented by the language barrier, currency changes, culture, time difference,

climate; then you will find Spain which is a nearby destination, which is part of Europe, where the inhabitants are welcoming and it is good to live there. Now you have certainly heard of Andalusia, this part in the South of Spain which has a multitude of varieties: whether it is the big city like Malaga, whether it is Granada with its Sierra Nevada mountain, Granada city of Tapas free very hot in summer and cold in winter. You also have Seville, the city which gave birth to the well-known Flamenco and many visits to do. You have a multitude of things and varieties in Andalusia. Whether it is the mountain for its winding roads by motorbike, by bike, the paths for horses, for walking or for running. You will find some 40 Golf courses which are played all year round and of course the Costa Del Sol. The entire coast with its beaches and small coves, its small villages and ports which go as far as the Mediterranean Sea and Atlantic Ocean junction in Tarifa. You also have Gibraltar, this English Mountain, etc....

This brings us to the heart of Andalusia on this Costa Del Sol and the City of Marbella, a name like Monaco, Saint Tropez, Dubai.

A far destination. You who are thinking of investing in real estate must think about resale or land value, or rental yield. Marbella is the ideal destination with its land which continues to increase, the demands exceeding the offers make Marbella the most stable and profitable investment in Andalusia. Marbella with its mountainous barriers and close to Africa, its sea make it a mild and temperate climate all winter, a good climate in summer neither too dry nor too humid. You should know that in Marbella there are more than 300 days of sunshine a year.

Development development in Marbella

The finishes of the apartments will be with the very latest luxury standards between Home automation, complete household appliances, underfloor heating, aero-thermal energy, double glazing, low energy index A. Do not hesitate to see each unit available on our Web with the prices, characteristics, the plan of each apartment and also an innovation: a photo of the view of each apartment that we took by drone. We have very interesting payment financing plans and above all security guaranteed by the largest Spanish bank.
