### Description:

Combining luxury living values with a chic and contemporary design has been successfully achieved by the builders and designers of this bold property.

Perched majestically in an elevated location overlooking the Andaman Sea at Bang Tao, this two-storey property owns six bedrooms, seven ensuite bathrooms, a western kitchen, two dining rooms, a lounge, a family/cinema room, a lofty roof terrace, an external Jacuzzi and a private swimming pool. Combine this together with the dramatic sea views and the cutting edge design values and you have a very special property.

The open plan living space showcases the chic décor with its trendy spotlights and white tones all around. The furniture, fixtures and fittings are elegant, from the sleek L-shaped fabric sofa to the interesting wall collage, this house owns tremendous attention to detail. The amazing wrap around balcony is one such feature that gives the home its uniqueness. The Western style kitchen also has the same first class design values that run through the entirety of the property.

The seven bedrooms all have ensuite bathrooms, double beds, air conditioning and built-in wardrobes. The tall windows and wrap around balcony ensure you can enjoy those amazing views overlooking the Andaman Sea. The most enthralling feature of the home is the spacious 200 sq.m. roof terrace with its panoramic views, wooden deck floors and a large canopy. This area is the ideal spot to hold the party to

end all parties.

The location of the house at Bang Tao is one of Phuket's most exclusive. Situated on the sunset west coast, Bang Tao is a peaceful area away from the more crowded tourist spots. With one of the best beaches on the island, a handful of international restaurants and bars, Bang Tao provides a balanced destination, especially ideal for children.
