ABOUT THE AREA

Vokolida or Bafra is a village in the Famagusta District of Cyprus, located on the Karpas Peninsula. It is under the de facto control of Northern Cyprus. The Bafra region has been designated an holiday resort with luxury hotels 'Bafra Beach' for tourist expansion by the North Cyprus government

Once a sleepy little coastal Cypriot village, Bafra (also known as Vokolida), situated in the district of Iskele, has seen a massive explosion of growth over the past 10-15 years! With some stunning beach areas, the government of TRNC decreed this a designated tourist area in 2006 and since that time has offered tenders to developers to come and invest in the area.

Since then it has become a place of 5 Star quality in North Cyprus with various hotels taking up the opportunity to invest in an ever-growing touristic haven. Located north of Famagusta, which is about a 40-minute drive away, and close the wonderful Karpaz Peninsula, it takes about 1 hour to get from Ercan International Airport in Lefkoşa.

The local population have hopefully benefited from the rise in business, with many now working at the local 5 Star hotels and casinos, and other businesses which have sprung up nearby, such as a local medical centre, creche and taxi rank.
