We are impatiently waiting for the good weather to enjoy meals in the sun and the song of the birds. The apartment, on two levels and a basement, is composed as follows:

- Ground floor: an entrance with storage, a large living room with access to the terrace through the large bay window facing West, a fitted kitchen-diner, a large bedroom, a bathroom, and separate WC.

- Basement: accessible from the inside and outside: a laundry room, a cellar and a large garage with three boxed parking spaces for your vehicles.

This apartment offers an ideal alternative to a family home.

The city of Paris is divided in 20 arrondissements. The first one is in the centre, the following ones spiral outwards in a clock-wise direction. Most of the famous tourist attractions can be found in one of the central 8 arrondissements.

The arrondissements are encircled by the peripherique, a ring highway. Outside the peripherique are the banlieues, the suburbs of Paris.
