The Hotel Vila Galé de Cascais is located in a romantic area between the revivalist palace of the Counts Castro of Guimarães and the residence of the Kings of Italy, where you can enjoy the beautiful view over the Marechal Carmona Park, close to the golden sandy beaches and waters crystal clear and just a few meters from the famous Boca do Inferno, Cascais Marina and the historic center of the village.

This excellent 42 m<sup>2</sup> 1-bedroom apartment was designed to offer maximum comfort, furnished, with an 18 m<sup>2</sup> suite, living room and kitchenette, with panoramic views of Marechal Carmona Park, accommodates 4 people, offering you the opportunity to enjoy your stay in week 52 of the year (corresponding to New Year's Eve), starting on Saturday at 3pm and leaving at 12pm on the following Saturday.

The real right to periodic occupancy gives you the privilege of using all the equipment of the tourist complex, namely the swimming pools, sauna, children's playground, games room and free WI-FI in all areas. The hotel also has a restaurant, bars and meeting event rooms with plenty of natural light.
