AMENITIES

Innovative spaces for users to indulge and live unique experiences of well being and work efficiency.

RELAX ROOM MAGNNUS CENTER

We understand that a healthy workspace increases the users quality of life. The Relax Room offers an eating area and an outdoor terrace that provides a ventilated space for greater wellbeing.
A space to rest eat and enjoy peaceful moments on an incredible terrace.

BUSINESS CENTER

Project professionalism and confidence in these three well equipped meeting rooms perfect for video conferences or in person meetings providing users with a seamless experience. Space designed to enhance your meeting experiences.

CARDIO ROOM

Our main assets are time and health. We offer this space to exercise fast and efficiently before or after work without moving to another place. The cardio room has showers and dressing rooms. Your health is essential for good business.

DEVELOPER

We consolidate a tradition in the real estate industry. Through the design of spaces that become unique scenarios we develop creative human and innovative environments that contribute to the growth and happiness of the people who enjoy them.

More than 30 years of experience and more than 80 buildings we reinvent the possibilities of space management to communicate that tradition character and a vision of the future are capable of establishing the present.
