This exceptional estate presents a unique opportunity to acquire four recently constructed, nearly identical villas within a private condominium in Prainha, Aquiraz, Brazil. Designed for luxurious coastal living, the property offers a harmonious blend of modern architecture, panoramic views, and proximity to

pristine beaches and vibrant attractions.

Architectural Harmony and Panoramic Vistas:

The estate comprises four symmetrical villas, each boasting 110 square meters of living space, contributing to a total constructed area of 468 square meters. A central swimming pool serves as the focal point, creating a communal space for relaxation and enjoyment. The villas are designed with an open-plan living concept, seamlessly integrating the living, dining, and kitchen areas. Expansive verandas and balconies offer breathtaking panoramic views of the sand dunes and the shimmering sea, capturing the essence of the Brazilian coastline.

Modern Comforts and Thoughtful Design:

Each villa is thoughtfully designed to provide maximum comfort and functionality. The ground floor features an open-plan living area, a fully equipped kitchen, and a veranda. One villa includes a ground-floor bedroom and bathroom, while the others offer a convenient lavatory. The second floor comprises two spacious double bedrooms, each with an en-suite bathroom, ensuring privacy and convenience for residents and guests.

Recent renovations, including internal painting, external wood varnishing, exterior repainting (2022), boundary wall renewal, and electrical circuit upgrades, ensure the property is in pristine condition. The estate is offered fully furnished, allowing for immediate occupancy and enjoyment.

A Coastal Paradise and Vibrant Surroundings:

The estate's prime location in Prainha, Aquiraz, offers easy access to the region's stunning natural attractions. The beautiful Prainha beach and lagoon, located approximately 1 kilometer away, are renowned kitesurfing destinations, attracting enthusiasts of all skill levels. Numerous kitesurfing schools in the vicinity cater to those seeking to learn or improve their skills.

The surrounding area offers a wealth of recreational and entertainment options. Buggy rides over the dunes, just 0.5 kilometers away, provide thrilling adventures along the coastline. The prestigious Aquiraz Riviera Golf Club, an 18-hole championship course, is located 3-4 kilometers away. The renowned Beach Park at Porto das Dunas, a popular water park, is just 7 kilometers away. The vibrant city of Fortaleza and the charming town of Aquiraz are also within easy reach, offering a diverse range of cultural and culinary experiences.

The region's stunning coastline, dotted with picturesque beaches and coastal towns, offers endless opportunities for exploration. Morro Branco, Canoa Quebrada, Praia do Futuro, Jericoacoara, and Aguas Belas are just a few of the enchanting destinations that line the northeastern shores. The Jaguaribe river estuary, a natural wonder, is also a must-visit attraction.

Aquiraz: A Hub of Tourism and Investment:

Aquiraz, a city renowned for its high quality of living, is a thriving tourism destination in Ceará. The city

boasts the second-largest hotel complex in the state, attracting visitors from around the world. Aquiraz's rich historical heritage, evident in its Portuguese baroque architecture and the Sacred Museum of São José de Ribamar, adds to its cultural appeal.

The city's strategic location, proximity to Fortaleza, and ongoing infrastructure development have attracted significant private and government investments. The Department of Tourism actively promotes the region, organizing events and attracting visitors to its stunning beaches and cultural attractions.

Important Considerations for Prospective Buyers:

This condominium, comprising the four villas, is offered exclusively for sale and is not available for rental. Prospective buyers are strongly advised to conduct a thorough property visit and due diligence to ensure informed decision-making. It is essential that buyers possess the necessary financial resources, as Brazilian financial institutions do not typically provide loans or mortgages to foreign nationals. Similarly, European and American banks rarely offer financing for real estate purchases in Brazil.

The buyer is not responsible for paying realtor commissions in Brazil; these are the seller's responsibility. However, the buyer is responsible for notary costs and the ITBI (property transfer tax), which ranges from 2 to 3 percent depending on the state.
