Description:

This chic and spacious studio apartment is in a prime location in the heart of Berlin Mitte on Auguststrasse – close to Fotografiska and all the lovely cafes and restaurants. Yet the bright apartment on the third floor of the side wing is extremely quiet, overlooking the green courtyards for which the area is so famous. Thanks to the architect's well thought-out living concept, the 35 square metres feel spacious and offer maximum living comfort. A high-quality fitted kitchen with Corian worktop, a spacious bathroom with walk-in shower, a French balcony, beautiful dormer windows and unobstructed views through the windows give the loft a very individual charm.

Shopping facilities and several underground, bus and tram stations are within walking distance. The apartment is fully furnished. Bed linen, towels, Hoover, hairdryer, iron and full kitchen equipment are provided. The double bed measures 140 x 200 cm. During the day it can easily be used as a sofa with "linen covers". Opaque roller blinds ensure a peaceful sleep. Free WIFI access is also available. The spacious fitted wardrobe offers plenty of storage space.
