New Build Apartments for Sale in Villajoyosa Town Centre – Contemporary Living on the Costa Blanca Si Spain is delighted to present this exciting new build development of modern apartments in the very heart of Villajoyosa, one of the most charming and authentic seaside towns on the Costa Blanca.

Perfectly positioned within walking distance of shops, restaurants, beaches, and essential services, these stylish new homes offer an exceptional opportunity for international buyers seeking a second home in Spain, a permanent relocation, or a high-potential investment property on the Mediterranean coast.

This exclusive development offers a selection of beautifully designed 1, 2, and 3 bedroom apartments, created with comfort, style, and modern Mediterranean living in mind. Each apartment features a bright open-plan layout combining a contemporary kitchen and spacious living area, ideal for relaxing or entertaining. Large windows and private terraces allow natural light to flood the interiors, while some properties enjoy lovely sea views.

All homes include high-quality finishes and modern features such as built-in wardrobes, air conditioning, integrated domotic smart home systems, and a private storage room. The building also benefits from lift access, optional private parking, and excellent communal facilities including a social club, fully equipped gym, and a communal solarium where residents can relax and enjoy the superb year-round Costa Blanca climate.

Villajoyosa is renowned for its colourful seafront houses, rich maritime history, and vibrant Mediterranean lifestyle. The picturesque old town, with its cobbled streets and traditional fishermen's

homes, offers a unique blend of culture and charm. The town is also famous for its chocolate-making heritage, including the well-known Valor Chocolate Factory and Museum, as well as a fantastic selection of beachfront restaurants, cafés, and local markets.

Located just 10 minutes from Benidorm and only 30 minutes from Alicante International Airport, Villajoyosa offers excellent connectivity while maintaining its authentic Spanish character. Residents can enjoy easy access to golden sandy beaches, crystal-clear waters, golf courses, marinas, and endless outdoor activities including walking, cycling, and water sports. The Costa Blanca is especially attractive to buyers from the UK, USA, and Northern Europe thanks to its healthy outdoor lifestyle, over 300 days of sunshine per year, and strong property investment potential.

These new build apartments in Villajoyosa represent an outstanding opportunity to own a modern home in a prime central location close to the sea. Whether you are looking for a holiday apartment, a rental investment with excellent returns, or a permanent residence in one of Spain's most desirable coastal regions, this development offers exceptional value, lifestyle, and long-term appeal.
