Entering you have a small Zaguán entrance hall with a wrought iron and glass inner door, the hallway leads into the sitting room which also houses the staircase to first floor. Next is the galley style kitchen which is well equipped and has a door leading out to a small light well patio, across which is a perfectly fitted out shower room.

Up on the first floor the two bedrooms are located either end of a short hallway, the bedroom to the front has an en suite bathroom with full bath, sink and loo.
