The plots are situated in the Heart of South West Florida, one of the fastest growing areas in the whole of the USA. With direct access to local schools and amenities, the plots are ready to be built on and has all services available, ie. Water, electricity, water and sewage. The area also has phone lines and internet connections available.

All of our plots come with full residential planning permission for single family properties, however, there are no time frames on when or if to build on the lots.

All lots come with full title insurance and all funds are sent directly to the US title companies Escrow account (copies of their license available on request) who have worked under government license for over 28 years.

There are no restrictions on foreign ownership and discounts can be discussed on multiple purchases. You can also buy from the comfort of your own home, so no need to travel.

If you are looking for your own little piece of Florida, for either your dream home abroad or want to ability to double your money in the coming years, with extremely limited risk, then this is the deal for you.

The Redland Property Group have exclusive contracts with some of Florida's largest private land owners, until recently we simply supplied the local agents and developers, however, as we continue to grow, we are now in a position to offer the same deals and prices to private investors here in Europe and beyond.

There are no hidden fees, the price you see is the price you pay, there is a \$1500 closing fee which includes full freehold title insurance.

We have many lots available so please inquire as our availability is changing on a daily basis
