ABOUT THE AREA

Nueva Andalucía, often affectionately known as 'Golf Valley,' is a prestigious and expansive residential area nestled just inland from Puerto Banús, within the municipality of Marbella on Spain's glamorous Costa del Sol. This highly sought-after suburb embodies a lifestyle of luxury, leisure, and tranquility, drawing a significant international community, including many expatriates. Characterized by its lush green fairways, elegant villas, and sophisticated apartment complexes, Nueva Andalucía offers a unique blend of a serene residential atmosphere with convenient access to vibrant amenities and world-class leisure facilities. Its elevated position provides many properties with stunning views of the surrounding mountains, golf courses, and even the Mediterranean Sea.

The area's reputation as 'Golf Valley' is well-deserved, as it is home to an impressive concentration of championship golf courses. Prestigious clubs like Aloha Golf, Real Club de Golf Las Brisas, and Los Naranjos Golf Club attract golf enthusiasts from around the globe, offering meticulously maintained courses and excellent clubhouse facilities. Beyond golf, Nueva Andalucía caters to an active and social lifestyle. It boasts numerous tennis and paddle tennis clubs, state-of-the-art gyms, and wellness centres. The area's commercial hub, Centro Plaza, provides a range of shops, supermarkets, cafes, and restaurants, while the lively Saturday market near the bullring (now Marbella Arena) is a popular weekly event, offering everything from local produce to fashion and handicrafts.

Nueva Andalucía offers a diverse and high-quality dining scene, ranging from casual eateries to upscale gourmet restaurants, catering to a variety of tastes. Its proximity to Puerto Banús means residents can easily access the marina's designer boutiques, luxury yachts, and effervescent nightlife, yet return to the peaceful ambiance of their Nueva Andalucía home. The area is also well-regarded for its excellent educational facilities, with several reputable international schools making it a popular choice for families. This blend of sophisticated living, recreational opportunities, and practical amenities creates a self-contained and highly desirable community within Marbella.

For those traveling to and from Nueva Andalucía, the nearest major airport is Málaga-Costa del Sol Airport (AGP). Located approximately 50-55 kilometers (about 31-34 miles) northeast of Marbella, it's the primary international gateway to the Costa del Sol. The journey by car typically takes between 35 to 50 minutes, depending on traffic conditions, via the AP-7 highway. Another viable option, particularly for those flying from the UK, is Gibraltar International Airport (GIB), situated about 70-80 kilometers (around 43-50 miles) to the southwest. While slightly further, it can sometimes offer alternative flight routes.
