Description:

This charming house is set in a busy medieval town with local amenities. It is stone built and has a sweet garden to the rear. There are stone steps leading up to the front door and the main house is all on this level with a large welcoming living/dining room with a wood burning stove. There is a corridor then, leading front to back and the kitchen, bedrooms, shower room and wc lead off this. Upstairs leads you to a mezzanine and the attic space, with fabulous beams, which could easily be converted into further bedrooms (subject to necessary permissions). Under the house is a cellar which is currently used for storage and runs the length of the house. There is also a garage/workshop. A really cute must see!
