Detailed Description of the Complex

In a unique location, right in front of the beach of Vasiliki, a destination is being built that combines

luxury, comfort, and natural beauty. The complex consists of 28 high aesthetic apartments, designed to offer a unique living experience by the wave.

It comprises four independent buildings, each including seven carefully designed apartments. The architectural design and functional layout meet the demands of even the most discerning buyers. Each residence offers unobstructed sea views, while the spacious terraces and private balconies serve as the ideal place for relaxation and entertainment.

The residences are available in options from 1 to 4 bedrooms, covering different needs and preferences. All are fully furnished and equipped, ready to meet every need. In addition, each complex features a shared pool, beautifully landscaped gardens, and private parking space.

The prices of the apartments start from €331,700, while some residences qualify for the Golden Visa, providing an excellent opportunity for those seeking permanent residency in Greece.

Vasiliki is one of the most popular coastal destinations, known for its beautiful sandy beach, picturesque atmosphere, and excellent entertainment and dining options. With easy access to shops, restaurants, cafes, pharmacies, and medical services, the location ensures a comfortable and pleasant stay. At the same time, it is an international attraction for water sports enthusiasts, offering unique windsurfing and sailing experiences.

This is an excellent choice for both a holiday home and investment exploitation. We offer a complete short-term rental management program, ensuring returns of 5% to 7.5% annually. Additionally, there is the possibility of VAT refund (24%) for buyers who choose to exploit the property through tourist rental.

A unique opportunity that combines luxury, location, and investment value.
