Detailed Description of the Complex

In a unique location, right in front of Vasiliki beach, a destination is being constructed that combines

luxury, comfort, and natural beauty. The complex consists of 28 high-aesthetic apartments, designed to offer a unique living experience next to the wave.

It consists of four independent buildings, each of which contains seven carefully designed apartments. The architectural design and functional layout meet the demands of even the most discerning buyers. Each residence features unobstructed sea views, and the spacious verandas and private balconies provide the ideal place for relaxation and entertainment.

The residences are available in options ranging from 1 to 4 bedrooms, catering to different needs and preferences. All are fully furnished and equipped, ready to meet every need. Additionally, each complex features a communal swimming pool, beautifully landscaped gardens, and private parking space. Prices for the apartments start from €331,700, while some residences qualify for the Golden Visa, offering an excellent opportunity for those seeking permanent residency in Greece.

Vasiliki is one of the most popular coastal destinations, known for its beautiful sandy beach, picturesque atmosphere, and excellent entertainment and dining options. With easy access to shops, restaurants, cafes, pharmacies, and medical services, the location ensures a comfortable and pleasant stay. At the same time, it is an international magnet for water sports lovers, offering unique windsurfing and sailing experiences.

This is an excellent choice for both a vacation home and an investment opportunity. We offer a comprehensive short-term rental management program, ensuring returns of 5% to 7.5% annually. Additionally, there is the possibility of VAT (24%) refund for buyers who choose to operate the property through tourist leasing.

A unique opportunity that combines luxury, location, and investment value.
