Detailed Description of the Complex

In a unique location, right in front of Vasiliki beach, a destination is being built that combines luxury, comfort, and natural beauty. The complex consists of 28 high-aesthetic apartments, designed to offer a distinct living experience next to the waves.

It is made up of four independent buildings, each of which includes seven well-appointed apartments. The architectural design and functional layout meet the demands of even the most discerning buyers. Each residence features unobstructed sea views, while the spacious terraces and private balconies are the perfect place for relaxation and entertainment.

The residences are available in options ranging from 1 to 4 bedrooms, catering to different needs and preferences. All are fully furnished and equipped, ready to meet every need. Additionally, each complex features a shared pool, beautifully landscaped gardens, and private parking.

The prices of the apartments start from €331,700, while some residences qualify for the Golden Visa, offering an excellent opportunity for those seeking permanent residence in Greece.

Vasiliki is one of the most popular seaside destinations, known for its wonderful sandy beach, picturesque atmosphere, and excellent dining and entertainment options. With easy access to shops, restaurants, cafes, pharmacies, and medical services, the location ensures a comfortable and pleasant stay. At the same time, it serves as an international attraction for water sports enthusiasts, offering unique windsurfing and sailing experiences.

It is an excellent choice for both a holiday home and an investment opportunity. We offer a complete short-term rental management program, ensuring returns of 5% to 7.5% annually. Furthermore, there is the possibility of VAT (24%) refund for buyers who choose to utilize the property through tourist rental.

A unique opportunity that combines luxury, location, and investment value.
