Detailed Description: The property has 2 entrances, one is from the 1st floor, which has an area of 130 sq.m. and is the main part of the house. With an internal wooden staircase, we descend to a semi-basement that has an area of 30 sq.m. and has one more bedroom. Continuing, we arrive at the ground floor, which has an area of 65 sq.m. It consists of a hallway, where the second entrance of the house is located, and an additional large space that functioned as a storage room. This space, due to its height, can be converted into a loft, changing its use to a main area and significantly increasing the usable space of the house.
