Description:

Maksimir, Bukovačka street

Nice, comfortable, modern three-room apartment, 130 m2 (according to the title deed, 124.66 m2) on the second floor of a building that was built in 1900. The building does not have an elevator.

The excellently used space consists of an entrance hall, a large living room (35.39 m2), two bedrooms, a kitchen with a dining room, a bathroom, a storage room, a closed loggia and a terrace. The apartment has a storage room and part of the garden. Along with the apartment, there is also a garage for sale, which is off-book property. The beauty of the apartment is that it is bathed in light and that the apartment has a wonderful view of all four corners of the world. The building is neat, and the staircase is maintained.

The location is great because it is located near the infrastructure important for everyday life: kindergartens, schools, shops, clinics, bus stations and access highways.
