About the Fontvieille district: Fontvieille is the westernmost district of Monaco bordered by the Cap d'Ail commune. The area was largely built on the sea and includes the Stade Louis, a marina and the main shopping centre with a large food court. The area also offers a wide range of restaurants, the Heliport and the University of Monaco. It is surrounded by greenery with the Roseraie de Monaco and the sea, and adjoins the town of Cap-D'Ail. While Fontvieille's real estate is mainly reserved for Monegasques and rights holders, there are also prestigious residences such as the Place du Bord de Mer, the Terrasses du Port, the Memmo Centre or the Eden Star offering luxury flats.
