Description:

YOUR STRATEGIC PARTNER FOR GROWTH

Discover a modern, versatile logistics complex that is fully prepared to drive your company's growth.

Implanted in a land with more than 65,000 m², the space offers more than 23,000 m² of covered area, spread over 9 functional buildings: warehouses, concierge, cafeteria, changing rooms, pumping station, transformer station and much more.

The outdoor spaces, between 7,500 m² and 19,500 m², have paved and well-organised accesses, as well as a fully fenced and walled perimeter, ensuring maximum security and control.

Flexibility tailored to your business

With areas ranging from 1000m² to 14,000m², our warehouses adjust to the needs of your operation - today and in the future.

Expand or reduce the space according to your growth rate, always with functional loading docks and optimised internal accesses.

Infrastructure designed for automotive and industrial logistics:

The complex has two large, paved, fenced parking areas with a security, fire protection and video surveillance (CCTV) system ideal for large-scale logistics activities.

LOCATION THAT POWERS YOUR BUSINESS

- A few minutes from Lisbon and Setúbal, with easy access to urban, university and hotel centres.

(University at 2.5 km | Hotel at 2.5 km | Port at 5 km | Airport 50 km away);

- Excellent road and rail connections, with direct access to the main roads: A2, A12 and railway line less than 500 meters away;

- Connected to the world via the Port of Setúbal, with international Maritime Logistics at the door of your warehouse.

Tailor-made solutions:

- We create spaces adjusted to your operation because each customer has a unique need;
- Safe and controlled environment;
- Gated community, permanent concierge, CCTV system and robust infrastructures;
- Complete infrastructures for the day-to-day business;
- Dedicated power grid, pumping station, green areas and communications ready to operate.

More than space. An ecosystem of growth.
