It is situated at the southern end of the country close to the border of Greece opposite the island of Corfu. There are many stunning sandy and pebbly beaches. Given its coastal access and Mediterranean climate with five months of warm weather Saranda has become an important tourist attraction since the fall of communism in Albania. Saranda as well as the rest of the Albanian Riviera according to The Guardian is set to become the new undiscovered gem of the overcrowded Med. Saranda is easily accessible from Tirana the capital or other Albanian cities as well as from abroad in several ways. It is roughly 1 hour from Corfu by ferry. Mediterranean climate Over 300 sunny days a year Balanced comfortable temperatures throughout the year Mild winters Natural environment and archaeology Numerous bays and natural beaches in the proximity Rocky coastline with sandy and stony beaches Green hillside Countless tourist attractions including the ancient city of Butrint the Blue Eye or Ksamil Excellent gastronomy and varied nightlife Focus on seafood of natural origin Mediterranean flavours with influence from Greek Turkish and Italian cuisine Bars and clubs with cosy and party atmosphere Villas can only be for personal use but referring to the high demand for villas for rent during the tourist season it is a very good investment opportunity. Villa owners can benefit from the 12 month holiday rental villa management program that we provide. These villas are located just 60 minutes from Corfu and Corfu Airport. During the day several times there are various ferries Corfu Saranda and vice versa. A good opportunity to use these villas t at any time and quickly. A good opportunity for all concerned to make a successful investment. For a visit to these Vilas and many more available you are welcome.
