Pomorie is a Bulgarian resort famous for its healing mud, crystal clear sea, delicious food and quite reasonable prices. It is located 7 kilometers from Burgas International Airport, and within 10-15 kilometers from Nessebar and Sunny Beach. There are no noisy discos here, but there are many parks, sanatoriums and playgrounds. An ideal option for a family holiday. The city is divided into two parts: old and new. The old is located on a peninsula jutting out into the sea for five kilometers. The new occupies the mainland. They are connected by two narrow isthmuses in the north and west. It is from the isthmuses that one can best admire the sunrises and sunsets.
