a hairdryer. You can enjoy garden view from the room.

At Agua Hotels Sal Vila Verde you will find a tennis court. Other facilities offered at the property include luggage storage, a children's playground and shops (on site). An array of activities can be enjoyed on site or in the surroundings, including cycling, fishing and hiking. The property offers free parking.

ABOUT THE AREA

Santa Maria is a town in Cape Verde, on the southern tip of Sal Island. Its long, wide beaches are backed by resorts. The town is dotted with pastel-colored buildings, al fresco restaurants and live-music bars. The old harbor's Weigh House recalls Sal's salt-trading history. The area's clear waters are home to rays and sea turtles. Nearby, exposed Kite Beach is a popular kitesurfing destination. Sal's busiest town is Santa Maria, a Crayola-coloured hub filled with surf stores, craft shops, and restaurants that serve local specialities, like steaming catchupa stew. Most of the hotels on the island are lined up along the town's beach – an eight-kilometre stretch of sand dotted with beach bars and windsurfing centres.

This little isle is part of the Cape Verde Islands, and is made up of little more than white-sand beaches and brightly-coloured villages.

Sal is part of Cape Verde, a group of 10 islands sprinkled off the west coast of Africa. They're relatively unknown in the mainstream market and, thanks to their location, they're a unique melting pot of cultures. The islands were originally discovered by the Portuguese, and there's also a mixture of African and Brazilian influences. You'll see it in the island's music, fashion and, perhaps most obviously, in the food.

The travel guides like to refer to Cape Verde as the 'African Caribbean', and the country certainly lives up to its nickname. Sal, one of the most popular islands, has snow-white beaches and rainbow-painted towns, just like those you'd find in Jamaica and the Dominican Republic.
