Description:

This advertisement is for a fully furnished 3 - room flat on the mezzanine floor with its own small garden. The flat was freshly renovated in 2020. The combination of an upscale and modern interior, the old Bremen flair and the location close to the city gives this flat its special charm. The property is available for short-term/long-term rent from January/2023. The flat has three inviting rooms of almost the same size. Via the hallway we reach the new kitchen with all utensils and accessories, which leaves nothing to be desired for a real hobby cook. The bedroom facing the garden offers enough peace and quiet for a restful sleep. The light-flooded living room offers a comfortable sofa for approx. 5-6 persons, a large flat screen TV with sound system and a cosy room furnishing to feel good. Directly connected by a sliding door, the modern dining room seats six people comfortably at a large dining table. Various furniture and light sources give the living area a particularly inviting atmosphere. Adjacent to the living room is a small conservatory with underfloor heating and direct access to the garden. It invites you to relax alone or as a couple, with a view of the greenery. The small garden offers the possibility to relax on the sun lounger during the day and to end the day at the barbecue in the evening. A small table, a bench and chairs invite you to eat together. The flat has 2 spacious cellar rooms. An energy certificate is available.
