Description:

The small detached house is located on the property of the listed railway keeper's house, which was built in 1901 by the Royal Railway Company and completely renovated and modernized in 2021. The detached house has retained its unique charm. The house has a toilet with shower, sink, refrigerator, coffee maker, kettle and the parquet floor is made of light wood. It has been equipped with a double bed. On the gallery is the work area with a desk.
