Why Blue Sail Realty?

Looking to purchase a Villa or Condo? Avoid feeling overwhelmed and use my experience and knowledge of the Dominican to find the vacation home of your dreams. Having moved to the Dominican from Canada we already know the transition process thoroughly and are now helping many others from all around the world make the same move.

Our core business value is "Client First". We believe in educating our clients about the real estate process in the Dominican Republic.

We rise up over the other realty companies in the DR by forging friendships with our clients that last long after finding them their dream vacation home.

We will personally pick you up at the airport to start your search.

We have a ocean front 3 bedroom villa right in the heart of Cabarete that we offer to our clients to stay for free if you end up purchasing a property.

We will take a day(s) to personally show you around the North Coast to give you a better idea of the area and all the wonderful activities and places there are to explore.

We have partnered up with one of the most respected law firms on this side of the Island to ensure you have the best legal representation available to you.

We have a property management team that if needed will take care of your investment property as if it were our own. Providing services such as walking your property once a week, collecting rent on your behalf, overseeing repairs or maintenance etc.

In closing, we strive to be your "Trusted Advisor" for all of your real estate needs. We do this through our knowledge, experience, activities and dedication to exceptional representation. As the majority of our business is by referral, it is our goal that you will have an outstanding experience and feel the value of our services and would happily refer us to your friends and family.

If you find what interests you on any other site, email me the link and I will be able to get you more details and work hard to make sure you get the best possible deal.
