Description:

Three large garages situated in the upper part of the village of C mpeta with the possibility, subject to planning permission, to construct a second floor with two dwellings which would have superb views.

The plot behind the existing construction would allow one to have a garden, thus giving one the amenities of village life with the tranquility of the country side.

Also it would be possible to rent the garages to provide a little return on your investment. Well worth viewing if you are interested in investment and creating your own home.
