Description:

**** Key Ready Property ****

New residential in Mijas Costa, Málaga consisting of 166 homes and penthouses of 2, 3 and 4 bedrooms with spacious and unbeatable common areas. Its architecture and design has been studied to give prominence to the terraces, which seek the light and breeze provided by the Costa del Sol.

The houses combine versatility and comfort thanks to their diaphanous and optimized spaces. Example of this are the kitchens with island, open and integrated with the living room. The bedrooms have direct access to the terraces, to enjoy the breeze in moments of rest. In the penthouses, the terraces are more spacious and with panoramic views of the Mediterranean Sea. The low ones have a private garden.

All the chosen materials follow the highest quality standards to offer a current aesthetic and according to the Mediterranean design.

The private urbanization, surrounded by vegetation and gardens, has spectacular communal areas, perfect for enjoying free time with family and friends. Outdoor and indoor pools, spa area with Turkish bath and sauna, equipped gym, gastrotheque, paddle tennis court, putting green, urban gardens ... Everything you need to enjoy leisure time!
