As previously mentioned, from the master bedroom we can access a nice desk area. The property has several fireplaces: in certain bedrooms, in the living rooms, in the kitchen, at the entrance to the farmhouse.

The farmhouse offers the luxury of enjoying great natural light thanks to the large windows it has. The total constructed area, with annexes and sports areas, boasts 1,008 m². From those the house disposes 595 m² and a land area of 45,075 m².

The farmhouse has two water wells, propane gas heating, as well as air conditioning splits (hot-cold) in the bedrooms.
