Description:

This exclusive independent villa of 209 m² built, distributed over four floors, offers an unparalleled lifestyle. With ample spaces to update to your liking, this property has a distribution that guarantees functionality and comfort on each level, as well as flexibility to customize each corner. In the basement, an open-plan living room with a toilet connects directly to the covered garage. The ground floor has a living room, a dining room, a toilet and a kitchen with an office that opens to the private garden, providing tranquility and privacy. On the first floor, three bedrooms share a bathroom, and one of them includes a private terrace, ideal for moments of calm. The attic houses the master bedroom with an en-suite bathroom and a small office area, perfect as a work or study space. Located in Ciudad Jardín, one of the most exclusive and sought-after areas of Madrid, this property allows you to enjoy the serenity and privacy of a residential development without giving up the proximity of high quality services, green areas and transport connections. Acquiring this property represents a smart investment and a unique opportunity to live in a privileged space. At Walter Haus, we are available to accompany you in every step of this acquisition process.
