This private complex of only 54 beautiful 3 bedroom townhouses, combines the tranquil area of the Alenda Golf Course with a more lively beachfront nightlife easily accessible in just 15 minutes. Fixture and fittings: The properties are constructed with first class material: thermal and acoustic insulation in accordance with the new legislation recently passed, aerothermia system to heat up the water, PVC framework with double glazing and motorized blinds in living rooms, security doors, pre-installation air conditioning, build-in wardrobes, furnished kitchens (without electrical appliances) and much more. Additionally all homes come with a private parking space in the basement, on the private plot or inside the urbanization. Location: The residential complex is situated next to the Alenda Golf Club, a peaceful area surrounded by beautiful views, and just 15 minutes from Alicante's town centre and golden beaches. Elche's famous palm grove, now included on the World Heritage list, is also just 15 minutes away. The mountains of Sierra de las Águilas and Sierra del Cid offer a stunning backdrop and allow

residents to enjoy the breath-taking views, nature walks and even bird watching. And also Alicante's international airport, with on average 11 million visitors a year, is just 15 minutes away, with connections to the UK and many other European capitals. The Euromed high speed train has regular links with Barcelona and Valencia, and the AVE with Madrid, and the ports at Alicante are included on the Mediterranean cruising ships' circuit. There is also an easily accessible road network, with the A7 motorway connecting the complex to the rest of Spain and France.
