Kras, Island of Krk – Charming Ground-Floor House with Heated Pool and Spacious Garden

In the peaceful village of Kras, located in the interior of the island of Krk, this charming detached house of 62 m² is surrounded by a spacious garden of approximately 600 m².

The house has a functional layout and consists of a living room connected to the kitchen and dining area, two bedrooms, and a bathroom. From the living room, there is access to a covered terrace that leads to a heated pool and sun deck — an ideal place to relax during warm days.

On the other side of the house, there is another terrace with a barbecue, perfect for outdoor gatherings and dinners. Two preserved stone wells (šterne) add a touch of authentic coastal charm, reminiscent of traditional island architecture.

The surroundings offer complete privacy and peace, while all the amenities that the island of Krk offers — beaches, promenades, restaurants, sports facilities, and cultural landmarks — are just a short drive away.

The property also includes two parking spaces, making it an excellent choice for a vacation home, tourist rental, or quiet family living.
