I am selling a property located in a quiet village 14 km from Balchik, 25 km from the regional center Dobrich and 50 km from the seaside capital Varna. The property consists of a house with 3 rooms, a bathroom and a garage and two separate plots with a total area of 1730 sq m. It is located on the outskirts of the village of Hrabrovo, borders the fields and offers peace and quiet. According to the property document, there is a house in both plots, both of which face the street. The road to the property is dirt, but passable.

The property is suitable for those who love the beauty and tranquility of rural life, and can also be used as a weekend house. The large garden is suitable for growing vegetables or an orchard.

The village of Hrabrovo is a quiet and small village, in which there is a shop and a town hall. Everything else you need is less than a 15-minute drive in Balchik.
