Malinska, Island of Krk – Building plot with sea view and access from asphalt road

Located in a quiet part of Malinska, on the western side of the island of Krk, this building plot of 1,300 m² offers an excellent investment opportunity. The plot is mostly flat and offers an open view of the sea — ideal for building a holiday home or a villa with a pool.

It lies within the residential construction zone, and water and electricity connections are already brought to the edge of the plot. Direct access from an asphalt road makes logistics and future construction significantly easier. The surrounding area is developing, with new family homes and holiday villas being built, further increasing the value of the location.

The position combines peace and privacy with the convenience of being close to all essential amenities — shops, beaches, restaurants, and transport links. A great choice for investors looking for a sought-after location on the island of Krk.
