Location:	Istarska županija, Poreč, Poreč.

In a historic town near Poreč, a building plot of 1339 m² is for sale. The land is of regular shape, the terrain is flat, and all infrastructure is nearby.

Construction of a ground floor plus one upper floor (P+1) is permitted, and the plot offers a panoramic sea view.

All amenities such as shops, restaurants, and schools are in the immediate vicinity, while beaches are just a ten-minute drive away.

The micro-location itself is attractive, and we highly recommend a viewing.
