Location:	Istarska županija, Poreč, Poreč.

In a historic town near Poreč, a construction land plot of 1017 m<sup>2</sup> is for sale. The land is regularly shaped, the terrain is flat, and all infrastructure is nearby.

Building permission allows for ground floor plus one floor (G+1), and the sea will be visible from the upper floor.

All amenities such as shops, restaurants, and schools are very close, and the beaches are just about a ten-minute drive away.

The micro-location itself is interesting, and we definitely recommend a visit.
