Description:

Espavel #65 is a modern 4-bedroom villa located in Bosque Tropic Village, a boutique jungle community within the gated Pacifico development in Playas del Coco, Costa Rica. Tucked into a lush forest valley, this freestanding home features a private pool, mountain views, and nature-inspired finishes. Designed for comfort, privacy, and a deep connection to the surrounding landscape, this villa is perfect for those seeking tranquility and tropical elegance.

Bosque Tropic Village Espavel #65 is a serene 4-bedroom villa nestled in a lush jungle valley within the prestigious Pacifico community in Playas del Coco, Costa Rica. Surrounded by towering trees, the rustling of leaves, distant monkey calls, and birdsong create a peaceful rhythm that defines everyday life here. This home is more than just a residence—it's a sanctuary immersed in the natural beauty and stillness of the Costa Rican jungle.

Set on a pristine mountain-view lot, Espavel #65 features a private pool and spacious outdoor living,

designed to blend seamlessly with its surroundings. Modern tropical architecture meets organic elegance: black-framed windows and doors invite natural light while offering uninterrupted views of the forest, and wood accents throughout the home echo the textures of the land.

Life in Bosque Tropic Village moves at a slower, more intentional pace. Modern fixtures and ecological design principles are combined with inspiration drawn directly from the surrounding environment. Every detail—inside and out—is designed to harmonize with nature, creating a deep sense of tranquility and retreat.

The villa is located in a quiet, private section of the Pacifico community, offering an exclusive lifestyle surrounded by natural beauty and enhanced by thoughtful amenities. Bosque Tropic Village includes walking trails, a yoga deck, and a community picnic area, allowing residents to reconnect with nature on a daily basis. Only 14 freestanding homes will make up this carefully planned village, developed over several phases to preserve the integrity and intimacy of the setting.

Bosque Tropic Village Espavel #65 is an opportunity to live immersed in one of Costa Rica's most stunning landscapes—where modern living meets the timeless stillness of the jungle.
