### Description:

2 bedroom villa completely rebuilt in 2022, located next to Parque João José da Luz

Combining contemporary lines with traditional details, this house combines comfort, efficiency and an experience designed for those looking for quality of life in the interior.

### Key features:

- 1 bedroom with air conditioning, built-in wardrobe and mechanically assisted ventilation
- 1 bedroom with mechanically assisted ventilation
- 2 full bathrooms, spread over the two floors
- Extra wardrobe in the hallway to access the bedrooms, tailor-made to divide areas and maximise storage
- Living room and kitchen in open space with wooden floors
- Functional kitchen with marble stone island, equipped with induction hob, built-in ceiling extractor fan, combined oven and microwave, dishwasher and fridge
- Sink also integrated into the island, designed to keep the space free and practical
- Unobstructed view of the Sanctuary of Nossa Senhora da Penha, from a large and bright balcony
- Double-glazed window frames
- Air conditioning in the living room and master bedroom
- Notes in granite and wood, both on the floor and in details such as doors and finishes
- Nordic style with natural elements and clean lines

Laundry on the ground floor  
Large garage with automatic gate, for 2 to 3 cars  
Electric blinds, heat pump, solar panels  
100% electric, energy efficient and comfortable townhouse all year round

**Location:**

Castelo de Vide is considered one of the villages with the best quality of life in Portugal, standing out for its calm environment, natural landscape and authenticity.

This villa is located a few meters from the main garden of the village, in a quiet and very central neighborhood. The view of Penha offers a privileged setting, in one of the most emblematic points of the region.

Living here is choosing a quieter life, with identity, nature and comfort.

If you feel that this is your home, talk to me to schedule a visit.

EN
