Description:

Impressive barn conversion with separate guest house all in fantastic order. Situated in a hamlet between Mansle and Saint-Claud. Spacious accommodation with a huge sitting room which opens to a "cathedral" style, fitted kitchen with dining area and a second sitting room on the ground floor. The flexible layout of the property allows for one main house or the possibility of separating the main barn conversion from the original farm house for extra guest or rental space. In addition, there is the separate guest house equally full of rustic charm. The extra bonus is that there is a small old cottage to renovate, a stone barn (used as a garage) and any DIYer's dream workshop. This workshop has an opening height of 3m which would allow over-wintering of a caravan or camping-car.
