Prime Location in the Heart of the Costa Blanca

Set in a peaceful residential enclave, these villas are within easy reach of everything you need for year-round living or relaxing holidays in the sun. The picturesque town of Altea is just 6 km away, the lively resort of Benidorm is 7 km, and Alicante International Airport is conveniently located around 60 km from the development. Elegant Ibizan-Style Architecture with Premium Finishes

Inspired by traditional Ibizan design, these villas combine timeless Mediterranean elegance with cutting-edge modern comfort. Whitewashed facades, natural wood accents, and locally sourced stone create a serene, sun-filled environment that blends harmoniously with the surrounding landscape. Each villa is built on a private plot and features landscaped gardens, a private pool with integrated jacuzzi, outdoor

bar, and barbecue area – ideal for making the most of the region’s 320+ days of sunshine each year.

Spacious Layouts Designed for Modern Living

Every home in this exclusive development includes four spacious bedrooms, three bathrooms, and a guest WC, spread over two well-planned floors. The bright, open-plan living and dining area boasts soaring double-height ceilings and seamless access to outdoor terraces. Highlights include a private wine cellar, interior garden with skylight, and a stylish floating staircase. The designer kitchen comes fully fitted with quality appliances and built-in cabinets, while electric roller blinds in the bedrooms ensure comfort and privacy.

Perfect for All-Year-Round Use

Whether you're looking to relocate, enjoy long holidays, or invest in Spain's booming property market, these villas are perfectly equipped for year-round living. Underfloor heating keeps the interiors cosy in winter, while multiple outdoor spaces provide plenty of room for al fresco dining and relaxing in the summer sun.
