The kitchen, spacious and bright, is fully equipped with modern furniture and stainless steel appliances, as well as a separate room for the boiler. The living room, very spacious and with a large floor-to-ceiling window, gives access to a sunny terrace with tiled floors, ideal for relaxing and enjoying the tranquility.

The sleeping area has three bedrooms: the main one, with a built-in wardrobe and en-suite bathroom; a second bedroom also with a built-in wardrobe and a complete bathroom in the hallway; and a third bedroom with a wardrobe (not built-in), ideal as a children's room or office.

On the lower floor we find a large living area with skylight, TV socket and multipurpose space for daily use, as well as a full bathroom with shower and laundry room.

The garage, which is accessed from this same floor, offers space for two cars, automatic door and storage area with shelves.
