Description:

Located in a residential building, this office has 75m² distributed in a large work area with windows facing a large interior patio, a separate office and a toilet.

The space is ready to move in and start working: it has air conditioning, fully equipped electrical installation and numerous connection points. The windows, made of PVC with double glazing (double glazing), offer good natural light thanks to their northeast orientation and unobstructed views of the courtyard.

Excellent location, in the heart of the city and only 50 meters from Abando station, with direct connection to trains, metro, tram and buses. Privileged environment, in the heart of the financial area and a few minutes walk from the Courts.
