Description:

In the central street of Siervas de Jesús, this charming apartment is for sale, recently renovated in 2025. It is a very well used first with a large kitchen, hall, a bathroom with shower, living room and a bedroom overlooking Calle Herrería. The apartment has been tastefully renovated, with high quality materials and making the most of the square meters of the house. The heating is electric, the windows are state-of-the-art so they insulate from noise and weather.

It does not have an elevator, it is a first.

It is a great opportunity for those who want to buy a home and not have to do anything about it.
