Description:

Istria, Umag, land with building permit for a family house (P+2) with one residential unit. In a great location not far from the center of Umag, there is a building plot with a total area of 474 m². The land is located only 700 m from the first beaches and the sea. The conceptual solution envisages the construction of a detached single-family building. Planned residential building of floor plan P+2, consists of ground floor, first floor and second floor. Building parcel of irregular shape, north-south orientation. The terrain slopes slightly from south to north. The ground floor of the building thus consists of an entrance, a living room, a kitchen, a toilet, and a small corridor with a staircase that connects all areas with the entrance. On the south side of the building there is a covered parking space and an exit to the yard with a swimming pool directly from the kitchen. On the first floor, there are three bedrooms, a hallway, a laundry room, two bathrooms, two balconies and a staircase leading to the second floor, where there are two bedrooms, a hallway, a bathroom and a covered terrace. In total, approx. 259.20 m² net area of the house with terraces and balconies. Obtaining a building permit is in progress. We are at your disposal for all other questions!...
